

Nicco Park Vouchers

Nicco Park has come up with an Independence Day offer for students which is valid till the 30th of September. In order to avail the offer, students will need the vouchers which have been already distributed or will be distributed to students of all classes by the 10th of September. The vouchers were sent over to the school during the last week of August when Mid-Term Exams were on which is why they are being distributed now. The offer allows upto 6 people to use 1 voucher to get the specified number of rides at the 50% per person discount price mentioned on the voucher. Any guardian willing to take their wards to Nicco Park may do so by the 30th of September using these vouchers. By chance if the voucher given to you tears or gets damaged before you get to use it, please do get in touch with the school office to get another one but please do note that the number of extra vouchers with us are limited.
