Lab charges for IX to XII	200	0	
Annual charges to be paid in Jan 2021	5000	<b>4000</b>	

Kindly note that fees may be paid at the revised rates with effect from November 2020. The payment gateway through our website will enable you to make payment of the correct amount.

OUR NEW PAYMENT GATEWAY IS "LIVE" now and if you have paid at the earlier rate for November, the gateway will make it possible so that only the adjusted, balance amount is payable in December.

**Parents are requested to kindly make all payments through the payment gateway (ONLINE) option at [dolna.org](http://dolna.org) and kindly stop paying into the school bank accounts.**

**There will be several advantages here :**

- a) When you type in your child's Registration number, the payment option will show the **correct amount** and ONLY for the month/s that are due. If there is any excess amount paid by you and in CREDIT balance, the system will adjust it so that you need to pay ONLY the amount due.
- b) You will get a receipt immediately which will help you to maintain your payment records.
- c) You will not have to send an email to dolnfees@gmail.com to inform the school.
- d) Please note that the **convenience charge** payable to the Bank and the service provider, payable by you, **stands reduced to 1% ONLY**, against the earlier higher rate, as the rest will now be paid by the school.

**We believe that most of you, probably all, have been following the newspaper reports related to the high court order so we hope you have noticed how reasonable the fees charged by Dolna Day School are, compared to other schools affiliated to the CISCE.**

**Shubho Bijoya, happy Dussehra greetings from Dolna Day to everyone and Diwali greetings in advance. Keep safe and keep well.**
