

It is unfortunate that we have come across blatant disregard for minimum confidentiality in the case of a Class VI child. Evidence has proved that all sealed envelopes have been opened in advance by the person/s concerned.

All the question papers have been compromised and the school has no option but to cancel all question papers that were distributed, for the examinations that are pending.

Henceforth, for Class VI NEW question papers will be shared ONLINE via email for the balance of the papers just before commencement of the Examination.

Every child will need TWO devices throughout the examination. One for reading the questions in the paper shared and one to remain on google meet for invigilation. Inconvenience caused is regretted.

PLEASE **RETAIN ALL UNOPENED QUESTION PAPERS IN THAT CONDITION.** SCHOOL WILL ADVISE YOU ABOUT A DATE FOR RETURNING THEM TO THE SCHOOL.
