

## **For Classes I - VIII**

**The system of Continuous Assessments to download copies of these assessments as they keep taking place, on a regular basis, from the School Website.**

Please access Student's Zone, fill in the 4-digit School Registration Number and Date of Birth of the student. This will enable you to download Assessment Reports. These will be available for download for a short period of time and the moment the next assessment report in the same subject is uploaded, the earlier one will not be available anymore. It is in your interest to download a copy and keep it securely. The School will have no records which can be shared once the assessment has been uploaded. Duplicates cannot be provided.

**There will be multiple assessments in each subject and so, even if your child misses one, it should not make a difference. Since this is a continuous process of evaluation, the children should be able to engage in their regular studies at a comfortable pace and not feel burdened in any way or lose their enjoyment in the process of learning. These will be reports of a child's strengths, so that we, parents and teachers alike, can help the child continue to make further progress.**
