

Summer Workshops and Activities at Dolna

In the first week of their Summer Holidays, children at the creche enjoyed a myriad of activities. They engaged in arts and crafts like printing with vegetables and cotton, colouring, and completing worksheets on joining dots, alphabets and numbers. They had great fun watching movies and of course playing.

The second week brought with it more enjoyable group activities like creating a picture by printing impressions, yoga and storytelling. Along with watching more films, they learnt to make cards, paper bags and gift tags and also took part in Origami and Marble Painting workshops.

The following activities and workshops are scheduled to take place this week (27th - 31st May).

Monday - Water Play, Making Paper Boats, Poetry and Songs

Tuesday- Aerobics, Making Paper Bags and Wrapping Papers and Storytelling through Board Games

Wednesday - Acting Workshop and Movie Time

Thursday - Dance and Music Workshops, Making Bookmarks and other Crafts, Origami

Friday - Indoor Sports and Movie Time
