

Dear Parents,

Some Parents have approached us stating that the proposed fee structure may be a burden for them.

There is lot of thought and compulsion that has driven us to the proposal. Thoughts which we would like to share with you and discuss your problems as well.

Since this has to be done before the 1st of the coming month, could we meet and have a discussion on Monday, March 31, 2025?

There will be space for only one parent per child. We are sorry that we are unable to accommodate everyone.
